

# ARTEMIS (SILVER SPRING, MD)

## AT THE AEGELA CENTERS

SEPTEMBER 7-8, 2019

Artemis has been dancing, teaching and researching dance history in the United States and abroad for over 40 years. She is of Greek and Turkish descent and fuses her love of Middle Eastern cultures with

strong academic knowledge and excellent dance technique. She brings her spirited and articulate technique to workshops which include information on the history and cultures that generate the dances she teaches. She believes that we can all use art to build bridges across cultures.

### WORKSHOP DESCRIPTIONS:

**American Cabaret**—The dance that made America fall in love with belly dance is coming back! Comprised of Middle Eastern, Pan-Arabic and Turkish techniques, the style incorporates a 5 to 8 part show, props, floor work and audience participation.

**Improvisation Skills**—Historically, Oriental dancers never used choreography. The best planned choreographies can go awry when dancing to live music, the DJ plays the wrong song, the audience is not who you expected. Once these skills are mastered, you will thrive in any performance situation.

**Taksim, Beautiful Arms & Hands**—Different instruments evoke different moves. Learn to hear the music, to interpret it artistically and convincingly, and create beautiful lines and carve shapes in space with your arms and hands.

**Zils & Spoons**—For “zil virgins” or accomplished musicians. Learn the 4 most important sounds you can make with finger cymbals, and then experience the ease of playing wooden spoons used by street performers of the Ottoman Empire.

### CLASS SCHEDULE:

#### SATURDAY, SEPTEMBER 7, 2019
